

Innovation - Function - Precision

Integrated Waterjet Cleaning Nozzle

- coherent waterjet
- simple handling of mounting and dismounting
- integrated extended flow-channel
- bottom plane - low soiling tendency

World record at 1980 m/min: PM1
Rhein Papier Hürth, 25.04.2008

World record at 2014 m/min: PM62
Holmen Paper Madrid, 25.01.2010

German Patent- and Trademark
Patent No. 10 2005 025 583

Triple Waterjet Trim Nozzle

- 3 parallel aligned coherent waterjets
- highly precise technical sapphire jewels
- integrated ball retention
- with/without drip edge
